Administration - abolition of the Veppanapalli range - Krishnagiri Taluk - Hosur circle - effects report submitted.

Ref: Commr's R.C.M.281 Abk.dated 22-4-25. This off D.535 dated 20-4-26, disposed in Commr's M.1210 Abk.date 6-6-26.

The Veppanappal[illegible] range of the Krishnagiri Taluk, has been abolished from 15th May 1925 tentatively for 2 years and portions were distributed to the 2 -- remaining ranges of the Taluk, Krishnagiri and Kaveripatnam. By this arrangement the Krishnagiri range got a major portion of the Veppanapalle range and became more -- extensive. 6 arrack shops and 7 toddy shops were added to it, while 1 arrack shop and 3 toddy shops were transferred to the Kaveripatnam range. About 8000 trees are marked in Krishnagiri range in addition, as a consequence of the abolition. From the statement of rentals, consumption and detection, herein enclosed, it will be observed that th effects of the abolition of the range have not been --- unsatisfactory and that there has been no leakage of Revenu The old Veppanapalle range was not noted for grave crime and the Inspector reports that the preventive work in the taluk has not suffered, especially after the sanction of an additional peon to each of the 2 existing ranges with effect from 1-7-26 i.e. 5 men to each range. The shops are almost all road side shops and no great difficulty is experienced in the matter of effective control over them. The area is no doubt extensive and the importance of the

of the existing 2 ranges has no doubt considerably been increased after the abolition of the Vepanapalle range. The Inspector considers that the menial establishment should be increased to 6 orderlies for each of these 2 ranges, 2 peons for tappal duty, ~~xx~~ two with the Sub Inspector always and 2 for service of notice, summons, and similar work and to enable the Sub Inspector to have men in different portions of the range for efficient supervision of topes and shops etc., I consider the present strength of 5 peons to each range is ample. Of the savings of 1 Sub Inspector, and 3 peons due to the abolition of the range, the Sub Inspector's vacancy is being utilized in the Kollegal Taluk - please vide Commr's R.1505 Abk.dated 14-7-25 and of the 3 peons 2 entertained on 1-7-26 and the 3rd peon's place is kept as savings. Report on the effects of the abolition of the Denkinikota range of Hosur circle, and on the abolition of the Assistant Inspector's appointment in Kollegal and dividing the charge among 2 Sub Inspectors be submitted on receipt of reports, from the Inspectors, called for. This matter may also lie over till then, for final orders.
